**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am with my company SONIC from the beginning, I like it and I think that they are working fabulous for us. I don't want that any of the mayor companies interrupt their effort to give to their customers the best service, because this is what Sonic.Net is for us. I can call my mother that is in Argentina without effort and extra charge, why because SONIC is giving me this opportunity, if wasn't like it, I couldn't call her so often.

I'm supporting them completely and without doubts. I'm not thinking that is ok the hikes increase in the cost of internet and phone services, I'm using it and is working perfect I like it as it is.

Please make your deals in your own and live the companies as SONIC is in their own, meaning: "sneeke your nose in your business and leave the others do their own job please; Thank you, and good bye.

With pleasure and seriousness,

Cristina Galli
